September 7<sup>th</sup> - 9<sup>th</sup>, 2017

## About Us

Victorious Pathways has been in existence since 2014. Each year, this organization hosts Fresh Start at the beginning of the year to allow women to receive valuable life changing information through providing powerful informative workshops and retreats. During the spring, Victorious Pathways hosts women's tea to educate women issues concerning their families, and communities. This non-profit organization relies solely on donations from various entities. In September 2017, Victorious Pathways will host the annual women's retreat in the beautiful city of Oceanside, Ca located several feet away from the beach. The mission of this retreat is to give women the opportunity to relax, revive, and re-energize through the power of our Lord and Savior Jesus Christ.
